53rd European Square and Round Dance College

The Program

Five afternoon Square Dance Workshops in 3 halls featuring full PLUS, A1 and A2. **Three** professional festival callers offering dancers the opportunity to polish their ability at their chosen program, and to learn all about Square Dancing at its 'extended' best!

Five Morning Round Dance Workshops at three levels – Phase III-IV, IV-V and V-VI – World Class teachers presenting some of the latest and most fascinating routines that

the Round dance scene has to offer, along with a valuable background of styling and technique.

Six Evenings to just dance Squares and Rounds together, to practice, enjoy and have fun – all in one hall for the first and last night, while the evenings in between are devoted to everybody's chosen level.

Six Activity-renowned afterparties with skits, games, friendship and fun!

One Unforgettable week to meet old friends, make new friends and find out what Square and Round Dancing is really all about!

The Location

Beside 4 great dance locations, including the beautiful new Stadthalle, the charming city of Cham and the surrounding area of the Bayerischer Wald offer the perfect backdrop for a springtime vacation. Whether shopping, sightseeing, hiking and biking, or just a stroll along the Regen River, there is plenty to do in between dancing and partying.

At our main hotel Randsbergerhof (now equipped with a brand new hardwood dance floor for our use) dancers also enjoy a luxurious wellness area and delicious breakfast and dinner buffets.

The Prices

€ 615 - For dancers staying at the Hotel Randsbergerhof, including the € 111 Workshop Fee and six days of Half Pension at € 84 per person per night.

Spaces are limited – reservations are made in the order of registrations received.

€ 111 - For Dancing only – accommodations booked on your own.
